

HMRC announce changes to advisory fuel rates from 1 September 2016

DRIVING PROFITABILITY SINCE 1975

These rates apply to all journeys in a company car on or after 1 September 2016 until further notice.

For 1 month from the date of change, employers may use either the previous or new current rates, as they choose. Employers may therefore make or require supplementary payments if they so wish, but are under no obligation to do either.
